Reasons for excisions:

Not Applicable

**Summary of reasons
for classification:**

The publication entitled *28.jpg* is classified as:
Objectionable except if the availability of the publication is restricted to persons who have attained the age of 18 years.

The publication is a computer image file printout, which depicts a naked woman posed in a sexualised manner, the photograph framed in a manner that draws attention to her genitals. The likely purpose of the publication is adult sexual arousal. The Classification Office is of the view that any likelihood of injury to the public good is avoided by restricting this publication to audiences that have attained the age of 18 years.

An age restriction of 18 years will interfere with the freedom of expression as set out in Section 14 of the New Zealand Bill of Rights Act 1990. This limitation is demonstrably justified, however, given the likely injury to the public good from the publication's potential to adversely affect children and young persons.
